

Free Textile Recycling

In Your Building

Free and convenient textile recycling is available to apartment, office, and commercial buildings.

This service is provided by the NYC Department of Sanitation in partnership with New York State Industries for the Disabled, Inc. (NYSID) and Helpsy.

Keep valuable materials from going to landfills.

Every year NYC residents throw away approximately 200,000 tons of clothing, towels, blankets, curtains, shoes, handbags, belts, and other textiles and apparel. That's nearly the weight of 900 Statues of Liberty!
